Massart All School Show

2014 **Annual Haystack Show**

Are You Always Alone

*In collaboration with
sculptor Derek Weston*

2013 **Massart All School Show**

Education

Massachusetts College of Art and Design

Bachelor of Fine Arts in Graphic Design 2015

Experience

Winter 2015– **Conover Tuttle Pace / Interactive Design Intern**

Present
Boston, MA

Worked closely with art directors, designers and developers to design and build digital executions. Projects include web and app layout design, email design, banner development, as well as curation of digital content and production.

Fall 2014– **Minelli, Inc. / Junior Design Intern**

Winter 2015
Boston, MA

Assisted in all aspects of the client timeline for a company specializing in brand identity and strategy, including the assembly of proposals, synthesizing feedback from clients, and sending out final products for print

Contributed significantly to the processes of brainstorming, logo sketching, and gathering of initial research for brand identities

Summer 2014 **Ditto Labs / Design Intern**

Cambridge, MA

Responsible for the redesign of the main website and interface of software tools, as well as promotional material for a dynamic and expanding startup

Attended meetings and conference calls, streamlined and prioritized needs from other departments

Freelance

2013–Present **Lettering for JP Licks**

Boston, MA

Commissioned for the hand lettered redesign of all menu boards in the Mission Hill location. Currently responsible for specials boards around the store and keeping them up to date.

Spring 2015 **MassArt's Fine Art 2D Senior Catalogue**

Boston, MA

Chosen to design the FA2D catalogue, a final showcase for the department's graduating Painting and Printmaking seniors.
